Major price improvement and ready for your immediate occupancy!

Extraordinary is 1116 Packer St. with progressive high design style and careful attention paid to each fine detail. You could easily stroll past this understated home without ever knowing that behind the front door is an architectural masterpiece. Offering 3 comfortable bedroom suites, the carefully planned home flows through a delightful main living area and a gorgeous kitchen to a tropical oasis complete with a covered outdoor entertainment area, heated saltwater swimming pool with a water feature, patio, and shower.

While luxurious furniture, fixtures, and appliances grace the home, it has been made weather ready with impact glass windows and doors. Exquisite vein cut onyx kitchen counters highlight the kitchen, with superb tilework complementing the 3 baths. The 2nd floor suite has a
